

Privacy Policy

At Fenland Software Ltd, one of our main priorities is the privacy of our visitors. This Privacy Policy document identifies types of information that is collected and recorded by us and how we use it.

If you have additional questions or require more information about our Privacy Policy, do not hesitate to contact us.

Log Files

Fenland Software Ltd follows a standard procedure of using log files. These files log visitors when they visit websites. All hosting companies do this as a part of hosting services' analytics. The information collected by log files include internet protocol (IP) addresses, browser type, Internet Service Provider (ISP), date and time stamp, referring/exit pages, and possibly the number of clicks. These are not linked to any information that is personally identifiable. The purpose of the information is for analyzing trends, administering the site, tracking users' movement on the website, and gathering demographic information.

Cookies and Web Beacons

Like most websites, Fenland Software Ltd may use 'cookies'. These cookies are used to store information including visitors' preferences, and the pages on the website that the visitor accessed or visited. The information is used to optimize the users' experience by customizing web page content based on visitors' browser type and/or other information. We do not provide any information of users to any third party unless required by law.

Note that Fenland Software Ltd has no access to or control over cookies that are used by third-party advertisers.

For more general information on cookies, please read the "What Are Cookies" article on <https://www.cookieconsent.com/what-are-cookies> Cookie Consent website.

Fenland Software Ltd's Privacy Policy does not apply to other advertisers or websites. Thus, we are advising you to consult the respective Privacy Policies of these third-party servers for more detailed information. It may include their practices and instructions about how to opt-out of certain options..

You can choose to disable cookies through your individual browser options. Detailed information about cookie management with specific web browsers can be found at the browsers' respective websites.

Children's Information

Another part of our priority is adding protection for children while using the internet. We encourage parents and guardians to observe, participate in, monitor and guide their online activity.

We do not knowingly collect any Personal Identifiable Information from persons under the age of 18. If you think that your child provided this kind of information on our website, we strongly encourage you to contact us immediately and we will employ our best efforts to promptly remove such information from our records.

Online Privacy Policy Only

This Privacy Policy applies only to our online activities and is valid for visitors to our website with regards to the information that they shared with us. This policy is not applicable to any information collected offline or via channels other than this website.

Consent

By using our website, you consent to this Privacy Policy and agree to its Terms and Conditions.
